

CHALLENGE CHAMPIONS

Endorsements from Celebrities, Leaders & Organizations

To help spread the word, Dr. Ian Smith and **The 50 Million Pound Challenge** have enlisted the endorsement and support of scores of well-known leaders and celebrities from across the African-American community and beyond, as well as respected national civic and health organizations, to participate in the initiative's 14-city events or support the campaign through other efforts. To date, the following have signed up to support The Challenge, and the list continues to grow...
